Ronald Reagan:

"Down through the years, the Better Business Bureaus have resolutely stayed the course, showing themselves to be the best friend American consumers have ever had."

NOTE: *With the hope that a point has been made, reasonably enough, and with the hope that the CBBB current CEO, Mr. Cox, and the CBBB BOD are driven by the BBB values – but more importantly, they are motivated by something more transcendental – our “humanity”, and they do value truth and facts – I consider it unnecessary to further present material as outlined in the following sections, in support of an argument, in the context of a situation – which I hope, was an anomaly, from which lessons can be drawn, and “positives” encouraged to emerge from the “negatives”.*
